Four SEPTEMBER 13, 1951

Bikedom's Big Four Set For Final Trophy Dash

Checking their mounts for a final dash to the wire for the 1951 bike championship this week were four of the hottest bike pilots of the coast. Heading the Carrell Speedway dashes tomorrow night will be Burt Brundage, Chuck Basinal, Rex Luce and Bob Shirley. Brundage holds a slight edge in the snooker path points, but the other three are close enough to dethrone him tomorrow. Time trials begin at 7 p.m.

Eight Coaches Supervise Tartar Athletic Squads

Here's your 1951 Tartar Coaching staff.

Rex Welch, Cliff Graybehl and Vernon Wolfe are returning from last year's assignments as full-time coaches, and Joe Stuart and Jerry Davidson as part-time coaches.

Added to the staff this year are Dick Leech, Don Porter, and Willard Morgan. The latter three are teachers who have accepted part-time coaching assignments with the physical education department at Tartarville. Graybehl and Wolfe are whipping the Tartar grid varsity into shape while Porter and

Rotary Athletes Keeping Busy

Rotarians appear to be turning quite athletic following their recent triumph over the Kiwanians on the softball field.

The Rotary Rig, official outlet for the Rotary Club news, brags modestly about winning the game, then goes on to announce a golf match is scheduled to get

Leech are working over a crew of more than 70 Bee gridders. Nearly 50 hopefuls turned out for the Varsity.

under way at the Gardena Golf Course this afternoon. Judge John Shidler is whipping Torrance golfers into a frenzy over the affair.

At the same time, it was revealed that Carl Pagac, bowling impresario of the club, was organizing a league to start howling next Tuesday at the Gardena Bowl. He is seeking indoor athletes to sign up for the 28-week season.

Anybody for football?

Varsity Football Practice Under Way

Football talent ranging from 225 pound tackles to 130 pound backs, turned out for physicals and uniforms at Torrance High School last week and intensive drilling got under way almost at once.

Nearly half a hundred grid hopefuls turned out in uniform Friday afternoon to go through the first setting-up exercises which included such muscle benders as the "Rocking Chair," "Knee Bends," "The Armed Roll," and a few windprints.

Varsity Coach Cliff Graybehl, who will be assisted this year by Coach Vernon Wolfe, greeted nearly a dozen returning lettermen, most of them from last year's first string.

Heading the list are four Tartars who were named in last year's All Bay League selections. Returning is guard Bill Gray, who was named to the League's second string. He has spent the summer working with the State Forestry Division and says he's in "terrific shape."

MARCOUX MOVED
Mentioned on the league's third string was center Ted Marcoux, whom Coach Graybehl has shifted to a halfback spot in the backfield. He is grooming Danny Mayers for the center slot.

Returning with League honorable mentions to their credit are end Cal Browning and tackle GeGe Johnson.

Other returning lettermen include backs Bill Crawford, Charlie Cannon, Jim Murphy, Beryl Jones, and Dick Arnold. Returning linemen include Chuck Bingham and Harvey Rushford. Jim Smith, who lettered here two years ago, will be back this fall, according to Graybehl.

BEES MOVE UP
A lot of good talent is coming up from last year's Bee squad, and some new faces have appeared on the gridiron. Tartar grid mentors are predicting one of the heaviest lines in the league, but the crying towel has been getting plenty of use when the discussion turns to the backfield. Graybehl sums it up with:

"We don't have Dandoy." Aramis Dandoy, who sparked the Tartar varsity last year, went on to be named All Bay League and "Star of Stars" following the annual CIF-Los Angeles City football game two weeks ago.

NEW COACHES

Speedway Imports Two Hot Racers

Two Bonneville Salt Flats championship cars, the Navarro-equipped Auto Accessory Special, called the "Belly Tank Lakester," and Bruce Robinson's hot Mercury, will see action Saturday night at Carrell Speedway as part of the CRA hotrod racing program.

The two cars recently drew plenty of attention from speedway fans in their speed dashes on the famous Utah proving grounds. The Lakesters traveled 188 mph and the Merc hit a hot 160 mph.

Beach-Front Drive Work Finished; Road to Open

The beach-front road extending from Playa del Rey to El Segundo via Vista del Mar is expected to be reopened to travel on October 1.
